

UNITED IN LOVE...

Graphic created by: GAMES 1023

LET US GO TO SERVE!

The tree trunk represents Christ.

The branches represent the different ways we can serve according to our vocation. All of us are different, but at the same time, we are all united to Christ.

The roots form the continents; we are the Love of Christ at the service of humanity.

The typography of the word UNITED expresses the idea of all together with its letters that are stretched out and bound together.

In the word LOVE: the red letter L expresses Love itself.

The bird represents the action of going towards...

The service, that goes through the Love of Christ, goes across the boundaries and draws the world!
